

This year in lieu of the Action Glass Inc., and Action Auto Glass annual Christmas party, the money spent for that event is being given back to the communities we serve and live in. This is in addition to what we donate to assist Stratawest in their efforts to raise funds for Harvest Project, collect toys for the [North Shore Christmas Bureau](#) and bikes for [Obsession Bikes & Bikes for Tykes](#), and First Service Residential who together with many of their vendors, supports Canuck Place and lastly the BC Children's Hospital Foundation. As well, along with PAMA and their sponsors, we have donated silent auction prizes to raise money supporting C.H.I.L.D. Foundation and Make-a-Wish. For those who wish to contribute to these organizations or would like more information on who they support, we have provided links to each website.
